Menu Week 3
Children's Mental Health Week
Schools Football Week

Moment of the Week:

Artist in Residence

We are delighted that Astra is working with us again this year. Her work is based with children in KS2 and developing core art skills. Today, she is working with the children in Silver Studded Blue Class and working on shading. They used some new ink pens that the children and Astra loved. The children really love these days and learn so much. Some children missed their break to spend more time with Astra. We look forward to her future visits.

Butterfly Book Assembly

Lauren	Small Blues	For showing all the learning powers. She has a positive attitude towards learning and is making lots of progress. She is also a great friend.
Nyla	Holly Blues	For her amazing resilience, especially in phonics. She's working hard and working more independently.
Charlie	Adonis Blues	For a positive attitude to learning. Well done, we are proud.
Isabella K	Chalk Hill Blues	For a fantastic week and showing our learning power - respect. Well done!

Silver Studded Blues will receive a class reward for having the highest attendance last week. Attendance in other classes was low. Let's hope next week attendance improves.

Football Tournaments

Next week is National Schools Football Week. As a result we will be running two football tournaments for the children at lunch time. The children will need to bring a spare football kit or PE kit to change into if it is not their PE day, as they won't be able to play in their school uniform. Wednesday will be the Years 1, 2 and 3 tournament and Thursday will be the Years 4, 5 and 6 tournament.

Visits to MPA

This week has been a busy week for visits to our school. The FOSS heads came to look at Maths this week and we had many compliments about the learning. How calm and purposeful the school is. Also how the teachers reinforce mathematical vocabulary. The children are very committed to learning their times tables. We also had a visit from a REAch2 trustee and Non Exec. They were impressed with our school offer. They really enjoyed talking to the children and hearing how passionate they are about everything MPA. We are MPA and we are proud!

Year 6

Over the last 2 weeks Y6 have been completing assessments to help prepare them for the end of year SATs. They have worked hard and have made lots of progress since the start of the year. Well done to the children for their resilience and work ethic.

Children's Mental Health Week

Next week, we will be doing daily activities for Children's Mental Health Week. The theme is "My voice matters!". These will range from playing an 'are you listening game?', to discussing who and what is important to the children.

Parking

Please, please, please be mindful of where you park at drop off and collection. There was a near miss again this week as parents had parked opposite the school. They blocked each other and then traffic could not see families who were crossing. There is additional traffic at the moment due to the building site so when parents park opposite the school this causes traffic issues. This does not need to happen if parents found alternative places to park.
