Moment of the Week:

This week we took 23 children from KS2 to take part in the Ipswich Cross Country at the Royal Hospital School. This was a challenging course in a fantastic location. All children finished and all beat the target they had set. There was approximately 150 children per race so a real challenge for the children. Not only did the children perform well, they were so encouraging to the other runners taking part. Could not be prouder of the children!

Butterfly Book Assembly

Delight and Torah	Small Blues	For having a great few days. They have both settled in really well and are friendly and kind members of Small Blues.		
Hollie	Holly Blues	Hollie uses all the learning powers. This week she showed our learning power of respect and aspiration. Thank you Hollie.		
Nia	Adonis Blues	For her resilience and her always attitude towards learning.		
Erin	Chalk Hill Blues	For always being respectful and resilient. Erin has made exceptional progress in her times tables and this is because of her resilience and fantastic attitude. Well done.		
Lillyanna	Silver Studded Blues	For her responsibility towards her learning, always approaching tasks with enthusiasm and interest.		
Aurora	Kindness Award	For her kind words and actions with younger children.		
The Cross Country Team	Sporting Star	For showing all of the learning powers at the race.

Sporting Stars

Can you please email any sporting achievement photos of your child. We would like to update the display that we have in school. If your child takes part in sport outside of school and has competed in competitions / gradings / exams. We would love to celebrate these with our school community.

Keeping Safe Online

Please scan the QR code and listen to some tips to keeping safe online from our E-Safety Champions.

ProStrike

Huge thanks to Miss Scrutton for organising the Pro Strike event this week. The children and staff loved the event and challenging themselves to be the fastest kicker. We are so thankful for your incredible fundraising. We could not believe the total! Your support means the children get £1250 to spend on sporting equipment: Thank you all so much.

Parents Evenings

There are still appointments available for next Tuesday if you would like a face to face with your child's teacher to talk about your child's report and the progress they are making. All children have targets we would like them to achieve by the end of the academic year.

Fabulous Finishes

We invite families to school so the children can teach their families something they have learnt in the current themes. Thank you to families who attended the two sessions this week.

Small Blues got creative! The children made a rocking boat using paper plates, lolly sticks and card to create the different features. Thank you too all adults who joined us, the children really enjoyed it!

Adonis Blues each took a topic within our theme, 'Rocks, Relics and Rumbles' and created a presentation and quiz for adults. These ranged from teaching them to draw ammonites to layers of the earth and tectonic plates. The children enjoyed showing off their knowledge. Thank you to everyone who came.

Word Choices

Recently there have been a small number of children who are using words that we do not feel are appropriate. We are not accepting these in school. If a child is heard using a word / phrase that is not age appropriate we will be challenging this with the child and reporting to parents. We are aware that older siblings can influence younger children. We also know gaming and YouTube influence the children and they can repeat words.
