Moment of the Week: Year 6 SATs

Could not be prouder of our Y6 children this week showing such resilience towards their SATs. Their positive attitude and belief was a real credit to them and our school. Huge thanks to TESCO Martlesham for providing breakfast for the children this week. So grateful! Thanks team MPA for creating the MPA cafe and allowing the children to have a relaxed start to their day with their friends. We are MPA and we are proud.

OFSTED Celebration

The children have spoken and we they would like a "YES" day to celebrate our OFSTED report. This will be a fun but a safe day. This will happen on Friday 14 June. I will share an overview closer to the time.

Building Work

The foundations have been set and you can see the base of the new classroom. The children are enjoying watching this space develop.

Forest School Area

Last week our Forest School area was damaged over night. The tree house was damaged, the seating area was broken and general areas were vandalised. We have reported this to the police. This is a very special place for the children and we were upset to discover this space had been damaged on purpose. If you love locally and notice any intruders on the school site please notify the police.

Water Bottles

Please can you ensure your child has a water bottle in school everyday. Especially as we are expecting warmer weather.

Staff Car Park

The staff car park is being used for the contractors using the site. They need access at any point in the day. Can we ask that parents do not use the car park during the school day and for turning your cars around at either morning drop off or after school collection.

ipads

Last week we received 16 brand new ipads from the Trust. The children have been using these this week in school and they are really supporting learning. Year 4 have found x table test practicing a lot easier on the devices.

Reading Session

One parent per family is invited to school next Thursday (23.5.24) to see how we teach reading at MPA. In EYFS and KS1 there will be phonics and reading application. In Key Stage 2 you will follow the shared reading model we use. The session will start at 9.00am and should last approx. 30 minutes.

Grandparents Lunch

We are inviting 2 Grandparents per class for a roast dinner. An email will follow with the details. This will take place on Wednesday 5th June.
