Friday 24 May 2024

Dear Parents,

Your child has been selected to take part in a Primary Maths Challenge at Kesgrave High School on Wednesday 12 June 2024 in the afternoon (13:30 – 15:45). This will involve working in a group of four to take part in different styles of rounds. It is an exciting opportunity to challenge themselves in Maths in a variety of ways.

The children will be taken to Kesgrave High School for 13:15 (after registration) and will need to be collected from Kesgrave High School at approximately 15:45. The children will wait with myself outside of the reception area and we will be there as quickly as we can after the event finishes. They will need to ensure they have a water bottle and wear school uniform.

If your child attends an after school club and you would like us to return them to MPA afterwards, please indicate this on the reply slip. Please return the attached form to the School Office by Friday 7 June 2024.

Thank you for your continued support,

Miss Scrutton
