

FRIDAY FLYER

14 June 2024

w/c 17 June 2024

Moment of the Week:

Well done team Phoenix for winning Sports day this year. Every single child gave their all and we could not be prouder. House leaders were outstanding and led their teams with pride. The atmosphere at school was so positive and everyone had a wonderful morning. Thank you for your support, it means so much. We received a lot of positive feedback from families. A wonderful MPA Community Event.

Butterfly Book Assembly

Aliseyah	Small Blues	For making such progress in her phonics. She always tries her best and is excited to learn.
The Whole Class	Holly Blues	For their resilience in SATs this week. Well done Year 2.

Pupil Parliament

So proud of Max and India who were selected to go to London this week to represent Cluster 6. They went to Tide Mill Primary Academy and debated with children from the other Clusters with Cathie Paine and Gavin Roberts. They debated what the earth will look like in 50 years time.

Y6 Maths Challenge

This week four children went to Kesgrave High School and took part in a maths challenge. The afternoon involved different maths tasks and challenges against other local primary schools. Our children really enjoyed the challenge and gave their all. We came 5th out of 12 teams so we are very proud of the children and their achievements.

CEO Visit

This week Cathie Paine visited MPA. She led a whole school assembly and the focus of this was the refugee team in the upcoming Olympics. She referenced this to one of the REAch2 touchstones which is inspiration. She then had a tour of the new build classroom. She met with representatives of the Eco Committee and gardeners. Children talked to her about the Suffolk Wildlife Wilder Schools Programme. Finally, she met with Year six and they spoke to her about their memorable MPA experiences.

Premier Education

They are trialling Wednesday after school provision with the aim that this will be a service we can offer parents in September. Can I please ask that families book their child a place as I would love to offer at least four nights a week. If you are unsure how to book please talk to the office. There have been no bookings made so far.

PTFA

The PTFA at MPA have organised many fun and exciting fund raising events recently, enabling us to support the school in so many ways. These include, brand new iPads for all classes, sports equipment, new KS2 reading books, £100 towards each classes educational visits and contributed to the Year 6 hoodies. The PTFA would love to continue to organise these events, but we are now only a small group of three. We would love to invite any parents who would like to join our friendly team, so that we can contribute to some new play equipment for all our children once the building work is complete. If you are interested in joining our team, then please do contact the school office. Without your support, we do not know if we can continue in Sept without more members. Thank you all. The PTFA.

Move Up Day!

Children will meet new teaching teams on Tuesday 9 July. I will share the overview with you on the Friday Flyer of that week. We will have six classes in September which is very exciting. For all year groups except Y5 the pupil number year group is 20. So classes in KS2 will remain small.
