

# FRIDAY FLYER

## 7 June 2024

w/c 10 June 2024

### Moment of the Week:

This week the choir went to Alice Grange care home to meet with the residents. They are joining forces to create a community choir called "one generation to another." They are planning their first public appearance which we are very excited about. Our partnership with the care home has really blossomed this year and it's wonderful to work together.

### Butterfly Book Assembly

<b>Nylah</b>	Small Blues	For being so resilient in her writing this week. Well done Nylah.

### Marvellous Middles

**Small Blues** had a visit from the RNLI. We learnt about who the RNLI are and what they do. We spoke about water safety and how we keep ourselves safe when near water. Thank you to the RNLI for coming in to speak to us.

**Adonis Blues** made Roman pottery. They focused on different types of pottery, both decorative and practical. They carved their designs in carefully and used their clay knowledge and skills to create beautiful pottery.

### Home Learning

Thank you to our families who supported their children with the home learning tasks this half term. There were some wonderful exhibits in the classrooms. The children were so very proud of their work and have had lots to discuss with friends and staff.

### Rose Construction

This week, the children visited the new housing development, seeing the houses, machinery and learning about the different trades' roles in building houses. It was really educational and they all received a goody bag, which they loved.

### Grandparents Lunch

We hosted our final grandparent lunch of the year on Wednesday. These have been really special and families have loved the opportunity to eat together. We will consider future dining options for next year - give your feedback to Parent Council.

### Father's Day Sale

The PTFA will be holding a Father's Day gift shop on Friday 14th June at lunchtime. Gifts will be priced at £2.50 and will go home with the children that day. Please send the correct money to school.

### New Play Equipment

We had a meeting with a playground developer before the half term to draw up plans for replacement play equipment. The costing for this is £15,000 pounds so we have some serious fundraising to do. Currently our PTFA is very small with 3 members. If anyone would like to join and help our school reach this target we would be most grateful.

### Swimming

All children in KS2 are swimming this half term. The instructors will not allow the children to swim if they have earrings. Please ensure the children can remove their earrings or do not wear them on their swimming days. Thank you.

### Eco Day

Thank you to all involved in Eco day, the masks that the children made were amazing and these will be displayed in the hall. The children learnt so much about endangered species that day and were all sent away with the challenge of placing a small water bowl in the garden to help the animals during the (hopefully) dry summer months. Thank you also to those who donated on the gate. The money raised will go to the local Hedgehog charity who helped MPA save a hedgehog we had found earlier in the year.
