

FRIDAY FLYER

12 July 2024

w/c 15 July 2024

Moment of the Week:

This week families have been invited in to school to enjoy Fabulous Finishes. These have ranged from quizzes, to poetry recitals, to sewing challenges to art mosaics. We love seeing parents enjoying learning alongside their children. Thank you for making time to come to school this week. This is really valued by the teaching teams and means so much to your children.

Euro 24

Some families will be supporting England Sunday night in the final. We know some children will want to watch this. On Monday there will be a regular school drop off at 8.40am and a later register at 10.00am. This will allow those children who do watch the football to have a lay in. If **England do win**, children can wear non uniform on Monday.

Fabulous Finishes

Small Blues performed a song called "Under the Sea" to their parents and then shared their learning. The children performed their song with confidence, well done Small Blues.

Holly Blues engaged in an interactive Kahoot quiz focused on Magnificent Monarchs. The children demonstrated their knowledge by answering a variety of questions about the kings and queens they had studied. A royal well done to all of Holly Blues.

Adonis Blues shared their learning about mosaics and then designed and created their own with their adult. It was lovely to see the children putting their every day life into art. They were superb, applying what they have learnt and teaching their adults.

Chalk Hill Blues shared their Ancient Egyptian poem with parents on stage and then we had great fun using Kahoot for online quizzes in teams. It got quite competitive!

Silver Studded Blues enjoyed completing a Make Do and Mend project with their families, making a bookmark, pin cushion or pencil case from old clothes. There was a lot of concentration and many wonderful new things created!

Foss Swimming Gala

We hosted our first FOSS swimming gala this week for children in Y5. I was really proud of our children for their resilience when competing. MPA pupils reached the semi finals. It was a great event and I am sure we will do this again in the future.
