1 October 2024

Dear Parents,

Royal Blues Educational Visit – 16 October 2024

As part of their Science, forces and mechanisms and their key text, Cosmic, Royal Blues will be visiting 'It's Rocket Science', a science and astronomy centre in Claydon. They will take part in the 'Saturn Package' which involves completing the task of being a space cadet, time on the exhibits and two workshops, including an arts and craft activity, puzzle solving and activities.

This visit will take place on 16 October 2024 and the children will be leaving school at 9.45am and return for the end of the school day. They will require a packed lunch on the day; If your child is entitled to Free School Meals and you require a school packed lunch, please indicate this on the reply slip and return to school by Wednesday 9 October. The children should wear their school uniform for this visit.

The cost for this visit is £18.50 per child. We ask this cost is paid on Arbor by Monday 14 October; however, we understand this is short notice and so if you require longer to pay this, please speak to the School Office. If your child is entitled to Pupil Premium funding and you would like use this to pay for the trip, please indicate this on the reply slip.

We do require one parent volunteer to support on this visit. Please indicate if you are able to offer your help on the reply slip.

If you have any questions, please do not hesitate to contact us via the School Office.

Thank you for your continued support,

Yours sincerely

Mr. Thorpe
Royal Blues Class Teacher

'It's Rocket Science' Educational Visit – Wednesday 16 October 2024
