Moment of the Week:

Chalk Hill Blues spent the day with Suffolk Wildlife Trust, learning all about the different food chains we have in our school grounds. They started the day with a leaf identification activity to find out what trees we have in our school, and finished with a mini beast hunt! They had a fantastic time and can't wait for the next session! We are proud to be a Wilder School.

Remembrance Assembly

We were very proud to see our children in their community group uniforms on Monday. They all wore them with pride and honour. Mrs Garrod read the poem in our assembly and wore her Dad's medals. This was to pay tribute to all the people who had lost their lives fighting for our country. We held a 2 minute silence at 11 o'clock. Let's not forget.

Anti Bullying Week

'Choose Respect' was the theme this week. Children have completed activities each day to raise awareness. Each class has made a poster to demonstrate what 'choose respect' means to them. They all shared these with the school in our assembly on Thursday.

Phonics for Parents

Thank you to the parents who were able to attend the phonics workshop this week. They developed their own phonic knowledge and most importantly parents were able to see their child learn in the classroom and see the magic that happens in Reception in their first term.

Year 4 Times Tables

In Summer Term all children in Year four have to complete a times table test. Mr Thorpe is running a parent session on Thursday 21 November at 9.00am. The purpose of this meeting is to support parents in how they can further support their child at home. We hope parents can attend this session with their child.

Online Safety

The online safety champions in KS2 hosted their second cafe this week. It was really well attended. The cafe works by the children sharing online issues with our trained champions then an activity planned by Mr Thorpe. This time they did an online safety quiz together. They also enjoyed biscuits and squash.

Site Manager

Mr Robinson has joined the MPA team this week and is getting to know the school community and the trust. I am sure when you see him you will welcome him.

School Pets

This week we welcomed our school pets to MPA. These are two African Snails called Sidney and Cecile. The children have been observing them and saying hello. We know they are going to love life at MPA.

Air Quality

We received a letter this week from the council sharing that the air quality around school is poor. This is not what we want for our school community and our neighbours. We will be working on ways to improve this. One way is to encourage less parents to drive to school and try and encourage families to walk if possible. Our Eco Committee will be working on this.

SEND Room

We are looking for neutral-coloured cushions, beanbags and blankets. If you have any of these items that you are looking to get rid of we would be really grateful to have them. Please could you drop them off to the school office, thank you so much.

Children In Need

Thank you for your contributions to Children In Need. You have raised £176.68. This is amazing.
