### December Dates

These have been shared with families so you can help prepare your child for all the events we have planned for the festive season. If you need a printed copy please ask the office.

### Communication

In Parent Council last week, a lot of parents commented on the good communication from school. This is really valued as a lot of work goes into this. Can I please ask that all families read the Friday Flyer as this will help prepare you and your child for what's happening in school. We would not want your child to miss out.

### Mornings

We are looking at mornings and seeing what works best for the children. Can families ensure they get to school for 8.40. We have seen more children arrive after 8.40 this week. Just to remind you gates open at 8.35. Teachers collect their class from the playground at 8.40. Gate closes at 8.45. Parents are to stay with children until the teacher collects the class. When the weather is wet we will allow the children to go straight in. This is to prevent them and you from getting drenched.

### GTBG

Last week an incredible 4 out of 6 classes were green all week. This is remarkable and something we are all very proud of! Remember it's good to be green!

### Wrap around care

Thank you Families, last week was the busiest week yet! This is great news for the school. Make sure you check the website to see what fun activities are planned for the children.

### MPA post box

This will be out on Monday 2 December and year 6 children will be responsible for the Christmas Post. Please ensure the child's name and class is on the front of the envelope.

### PTFA Xmas Hamper Day

Next Friday, 6 December, is a non uniform day for children. We ask that all children bring in an item for the class hampers. This could be chocolate, biscuits, wine, socks, toiletries, candles, beer etc. All the items will be used for the hampers and the raffle will take place the last week of term. Tickets will be sent home soon. Thank you PTFA for arranging this fundraising event.

### Poppy Appeal

Thank you for supporting the Poppy Appeal this year. We raised an amazing £104.46. We are very thankful for your generosity.

### Cluster 6 Head Teachers

This week, 7 Head Teachers visited MPA and visited the classes during a maths lesson. They had not visited MPA before and all commented on how positive the school feels. They all said that you can really tell how much the children are valued. Our children were confident and articulate and showed great mathematical knowledge. They were very impressed with how learning is displayed in and around the school.

### Catering Team

This week has been a real challenge for our catering team as they have had no power. They have gone above and beyond to make lunches and manage all the washing up without an industrial dishwasher. They really are amazing. Thank you for your understanding with this issue. The power will be fixed this weekend.
