The children at MPA have enjoyed wonderful key texts during this term!

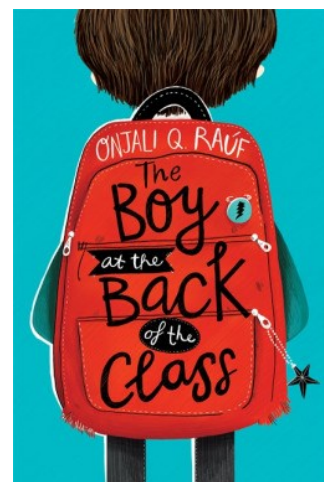

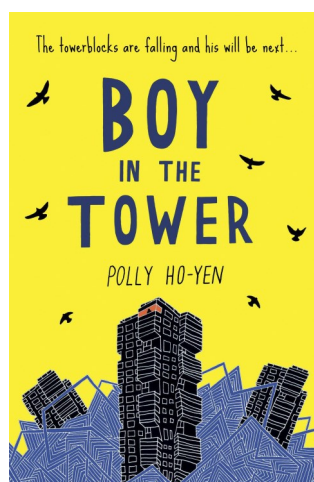

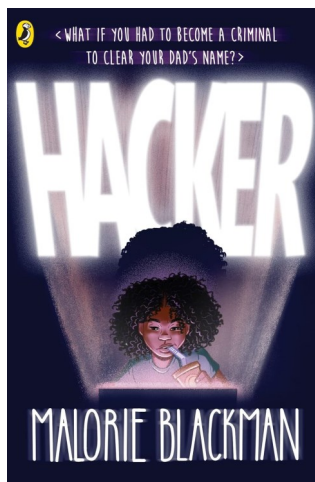

In Silver Studded Blues, they have read 'Pig Heart Boy'.

Isla Y6—It is a very interesting book because of all of the things going on in Cam's life. It is fun to read because there are a lot of cliffhangers and the end of the book is a cliffhanger too!

Ollie B Y6—I enjoyed it because the story built up atmosphere and the characters seemed like somebody you might know.

Robyn Y6—I really loved the book because it teaches you all about having a xenotransplantation. I like to learn new things, especially in Science!

In Chalk Hill Blues, they have read 'How To Train Your Dragon'.

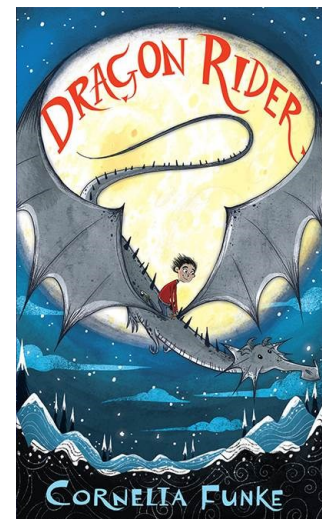

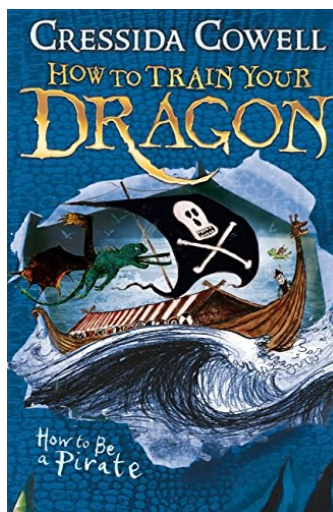

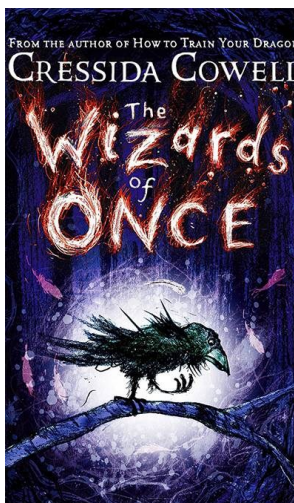

Alby Y4—I enjoyed the story because there were a lot of funny words when they were shouting.

Beau Y4—I liked that there was a lot of characters. Hiccup was my favourite because he was the bravest and had to keep going!

Solly Y4—I liked that the story had a lot of twists in it, particularly when Hiccup was eaten and then survived! The dragon also blew up! We were all sad when we thought the little dragon had died, but he was just in a sleep coma!

In Adonis Blues, they have read 'The Iron Man'.

Ayla Y3 — The best thing about the Iron Man was when he got trapped in the hole because Hogarth helped him out.

Maxwell Y3—I liked the Iron Man because I loved the expression the author used and the illustrations at the end.

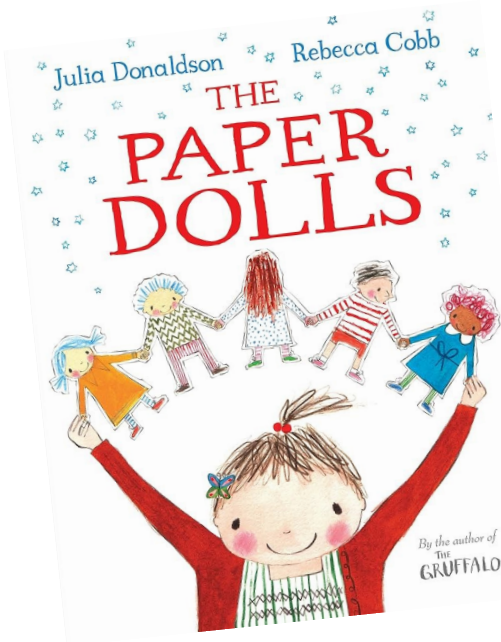

Hollie Y3-I enjoyed the Iron Man because I liked when he got trapped because Hogarth did it accidentally. Hogarth felt guilty as he meant to catch the fox! It was very enjoyable and I would recommend it.

Book Reviews

Pig Heart Boy—Lillyanna and Ramlah Y6

This is a very interesting book because it makes you think about things you have not thought about before like xenotransplantation. It has taught us about this topic and the pros and cons for it.

Lillyanna's favourite part of the story was when Cam was deciding whether to have the transplant or not. Ramlah's favourite character was Nan because she was there for Cam and understood him the most. She always knew what was best for Cam. It is a book that makes you want to read more!

Kid Normal—Charlotte Y6

This book is really funny because the characters do silly things: one character blows into a balloon; another character controls the weather; another one can fly. Kid Normal is the only one who does not have superpowers and when he joins the new school for children with superpowers, he is sad about this. My favourite character was the girl that flies because I like the idea of flying. I would recommend this book to people who are unsure what to read because I wasn't sure and ended up loving the story so much, I am now reading the sequel!
