In Adonis Blues, they have read 'Boudica's Army' by Hilary McKay.

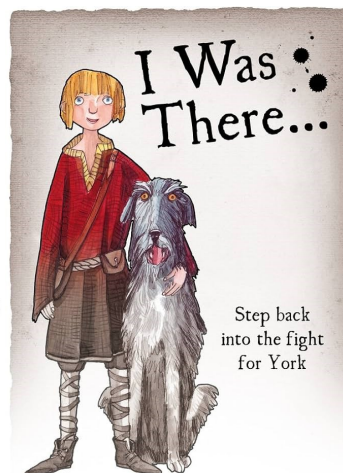

Nia Y3—I liked the part when the Icenic girl and Roman boy meet and they have each others pets because it is interesting. She now knows that the Icenic and Romans are similar.

Nojus Y3—I like how the book has a cliffhanger at the end because it doesn't have a second book to explain the ending, so I can think of all the things that could happen next.

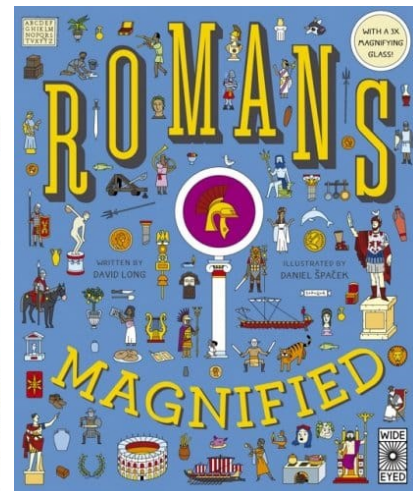

Charlie Y3—I like the book because it is fun to learn more about Queen Boudica and her army.

Alessandra Y3—I liked how the book linked to our history lessons, about her significant actions.
