## Moment of the Week

Children in Years 5 and 6 had the opportunity to attend 'A Christmas Carol' at Seckford Theatre performed by Eastern Angles Theatre Company last Friday. The children had a fantastic time seeing live theatre of a classic story! Thank you to Eastern Angles Theatre Company for offering us free, funded tickets for our children.

### Celebration Assembly

<b>Whole Class</b>	Small Blues	For a fantastic morning in our outdoor area, all children were showing great collaboration in their play.

### Reading Volunteer

We would love to have a reading volunteers for Holly Blue Class and Chalk Hill Blue Class. If you or a family member could spare one afternoon a week we would love to hear from you. The children really enjoy reading to an adult outside of the classroom.

### Footwear

Can we ask that children wear school shoes when it is not PE days please. We know that sometimes shoes break etc and we will be supportive, but we do ask that children wear black school shoes not trainers on regular uniform days.

### Mornings

Just a reminder we would like children to be in the playground for 8.40am. This is when the children are collected by their teachers. We changed the morning routine so all children could compete their morning learning task. Also can we ask that parents do not leave the site until the class teacher has collected the class. Many thanks.

### Bikeability

The children in Year Six had two days in the local area developing their cycling skills this week. They were riding along the roads and being taught skills that would make them road safe. They loved the two days and more of them are now biking to school which is great to see.

### Pastoral Lead

We recruited a pastoral lead for the children and families earlier this week. We will share more details once recruitment checks have been finalised. The newly appointed pastoral lead will work three days in school. These will be Monday, Wednesday and Friday. They are really excited to join the MPA team and meet our wonderful children.

### Good to be Green!

Last week 97% of the children at MPA were green all week. This is incredible! What a way to start the new year. All classes have reviewed their individual and class rewards. We know that a positive approach to behaviour is very important to the children. Its good to be green!

### Small Blues Stunning Start

On Tuesday, Small Blues became police detectives as part of their stunning start. Tom the Tiger went missing and we had to help find him! Burglar Bill left clues which we had to find and follow until they led us to Tom. Luckily Burglar Bill left cakes to say how sorry he was.

### Holly Blues Stunning Start

Holly Blues went on a walk to discover more about a local landmark. We walked from school to Martlesham Control Tower. We learned all about the history of the area, read the information plaques and explored the different artefacts still there. Back in the classroom, we designed postcards of the landmark and wrote all about what we had learnt.
