Moment of the Week

Adonis Blues Stunning Start

Adonis Blues made paper mâché volcanoes, painted them and then made them erupt! They worked in collaboration and there were lots of smiles. This was a fun learning activity.

Stunning Starts

Royal Blues began their new theme 'Sow, Grow and Farm'. They rated allotment designs and then created their own with a specific criteria. The children had the chance to create their own virtual allotment using CoSpaces and then we voted for the design which met the criteria the best! The children loved it!

Silver Studded Blues experimented with ice to begin their 'Frozen Kingdoms' theme. They looked at how ice bergs sit in the water, thought about ways that ice will melt the quickest and then tried to create sticky ice using salt. A lot of fun was had!

Forest School

We are delighted that Forest School will be returning to MPA after half term. We recruited a fantastic lead who has previously worked for Suffolk Wildlife Trust. She has so many ideas and is looking forward to providing engaging sessions for our children. I will confirm plans once the recruitment procedures are complete.

Dates

Apologies that there have been some additional dates to the published dates we issued last week. We have emailed the extra dates to families and will add reminders to the Friday Flier.

TT Rockstars

Mr Thorpe is very excited to launch this online platform at MPA. We are excited to see how this enables the children to make further progress with their times tables. Don't forget on Monday 3 February the children and staff can dress as rock stars as we launch TT rockstars. This can include, hair, non uniform and any props!

PTFA

We currently have 3 members of the PTFA (parent, teachers and friends association) we would love to have a couple more. This role is a voluntary one but helps make much needed funds for our children. If you are interested to find out more then please talk to Mrs Garrod.

Menu Change

Due to the Chinese New Year special menu next Wednesday, Carol will be serving Roast gammon on Thursday.

Fleeces

In Year 6 we ask that the children wear purple jumpers. There are a number of reasons. They start their preparation for Year 7 as they are different to the rest of the school. They lead by example and are easy to identify in and around the school community. Also they help younger members of the school with daily tasks eg lunches. We have a regular primary class (30) for year 6 in September. We are talking to PMG to see if purple fleeces would be available. We know these are popular due to warmth and also being cheaper than the jumpers / cardigans. We will keep you updated.

Open Door

The Butterfly Room was open this week for our regular open door session. Children from across the school can sign up to see Mrs Ashton and offload any worries or concerns. Mrs Ashton will do this until Mrs Dyson starts her role at MPA.
