Dear Parents

TT Rockstars

Excitingly, as a school, we have subscribed to TT Rockstars. This is a platform that the children can use to develop their times tables recall and fluency. To launch this exciting news we are going to have a 'Rock Day'. This will be happening on Monday 3rd February.

Times tables are taught daily in school from Year 2 to 6, however we are asking for all children and staff to get involved with this launch because all children will use TT Rockstars at some point.

The children have the option to dress as rockstars for this day e.g. hairstyle, accessories, clothes, inflatable guitars, whatever you have got at home!

Mr Thorpe will be hosting an assembly at 9:15am on Monday 3rd to kick things off. During the day, the children will get time to access TT Rockstars for the first time and explore some of the features!

We expect that the children will use TT Rockstars at home to practise times tables that they are learning in school. There is going to be a 'Hall Of Fame' for children who are working hard on TT Rockstars. This will be updated weekly and shared on our new Maths Blog which will be coming out soon!

On Monday 3rd February, your child will be sent home with a letter explaining TT Rockstars further and it will have your child's username and password on too so they can access TT Rockstars on devices at home.

We look forward to seeing MPA's very own rockstars on Monday 3rd February!

Mr. Thorpe

Maths Lead
