## 28 February 2025

w/c 3 March

### Moment of the Week

Year 6 enjoyed a visit to the Sea Life Centre, learning about some of the adaptations these animals have to survive in the wild. They enjoyed watching the Humboldt penguins, touching starfish and millipedes as well as watching Archer fish feed (shooting their prey with water!). They represented MPA with respect and responsibility.

Well done to Holly Blues for the highest attendance in the week before half term.

### Home Learning

Wow! So many wonderful pieces of home learning. We will be creating a montage and adding to X. The children have shared their home learning in the classrooms. They were all very proud. Lovely to see such a range of tasks.

### Uniform

Can we ask that children come to school dressed in the correct uniform please. There are only a few children but not wearing the correct uniform can seem unfair to others. This also relates to our learning power responsibility. If you are struggling to source uniform then we have a second hand pop-up shop in the school entrance. This includes PE kits please.

### World Book Day 2025

We have an action packed day planned for Thursday 6 March with lots of reading activities for the children. Miss Scruton has sent information to help you prepare. We are asking the children come dressed as words. We do not want families buying outfits, please use clothes from home. Some ideas, wear pjs and have the word 'exhausted'. Wear sports clothing be the word 'inspiration'. In addition for those children who want to take part there is a decorate a potato as a book character competition. There will be prizes for this.

### Football Fixtures

Mr Overett is planning football fixtures this half term. We have our first match on Monday night. This will take place at MPA against Waldringfield. Parents are welcome to watch. The kick off will be 3.20 ish. Good luck team MPA in our first fixture this year. Mrs Garrod will be selling refreshments on behalf of the PTFA at the football match on Monday after school.

### Year 6

This week the Year Six children received their Leavers Hoodies. They wanted to have them early so they can wear them lots. They will be wearing these for PE days for the rest of the year. They selected the colours and how they wanted to represent their names. They look fabulous! Year 7 pending!

### A message from the PTFA

We have now set up an account with 'Schools Lottery'. This is an exciting opportunity for families, as there is money to be won! It will also help our PTFA. Simply use a search engine and on the site type our school name to play. Ticket prices vary so something for all. Good Luck!
