7 February 2025

w/c 10 February

Moment of the Week

We had a fantastic launch on Monday and there was a real buzz in school. Thank you for creating your mini rock stars. They were totally awesome. The children have all enjoyed playing and it's great to see their times tables developing. We now have a Hall of Fame to showcase the children's achievements. We look forward to seeing how this develops over time.

Celebration Assembly

Grace	Small Blues	For taking responsibility for her reading in and out of school. Well done Grace!
Nyla-Mae	Holly Blues	For being resilient with her phonics. Well done Nyla!
Thea	Adonis Blues	For her aspirational learning attitude, and big improvement to her writing.
Florence	Chalk Hill Blues	For her resilience in Art this week and overcoming her worries.
Stanley	Royal Blues	For a really positive week. He's made excellent progress with writing this week. Well done Stanley!
Charlotte	Silver Studded Blues	For her responsibility in her learning, asking for support if needed to ensure she makes great progress!
Catering Team	Kindness Award	As they are all so kind to everyone.
Oscar	School Ed Shed Spelling Champion	
Emilia	School Ed Shed Maths Champion	

House	Andromeda	Orion	Pegasus	Phoenix
Points	959	873	958	683

Attendance 27 - 31 January

Small Blues	Holly Blues	Adonis Blues	Chalk Hill Blues	Royal Blues	Silver Studded Blues	Whole School Since Sept
95.83%	92.67%	100.00%	98.95%	97.67%	96.67%	95.63%

Well done to Adonis Blues for 100% attendance. This is amazing.

Home Learning

Just a gentle reminder that the home learning tasks for this term are due on Wednesday 26 February. The details were sent to you at the start of this term. Please do not complete the task for your children. These tasks are set for children in Y1 - Y6.

Heathy Choices

We allow children a heathy snack at break time. Fruit is a great choice and is provided by the school. We do not allow biscuits or crisps to be eaten at break. Also, there seems to be more children having squash in their water bottles. Can we remind families that water is best for that children whilst they are at school.

Educational Visits

Last year parents said that they valued educational visits and felt these were important. We totally agree. Transportation costs are very high and this is impacting on costs. We agreed with parents and said we would aim to stick to £20 and offer a payment plan. We just wanted to remind families that this is what we aim to do. If you are struggling financially then please come and talk to us and we will do all we can to help.

Cross Country

We are selecting our runners for the Suffolk Cross Country Trials. We hope to select teams from Y4, Y5 and Y6. These will be taking place on Wednesday 2 April. Parents will receive more information next week. However, you may want to save the date to add to your calendar to come and spectate. It's a fun morning and certainly allows the children to demonstrate our learning powers.

Forest School

We are delighted that Mrs Peck will be our Forest School Lead after half term. She will be at MPA every Friday. She will take Small Blues and Holly Blue Class for weekly sessions. She will also have a group of children from Key Stage Two. We will give more details next week. Mrs Peck has worked for the Suffolk Wildlife Trust so she brings a lot of knowledge and expertise with her. We are very excited to see what she does for our Forest School provision.

Morning Drop Off

The only children who can be left in the playground in the mornings are the children in Y6. Despite reminders, some parents are leaving their children before the teachers collect at 8.40. If you are dropping children to school then then you need to stay until 8.40. Some parents stand at the gate as they have dogs. This is fine as you are still observing your children. Many thanks to the parents who do stay and ensure that their child lines up safely. This is appreciated.

Menu Week 3

Monday

Farmer Visit for Small Blues and Royal Blues.
Guitar Lessons.
