Moment of the Week

Miss Cathie Paine, our CEO and guests from our school community joined us to officially open the new classroom. This has been a superb addition to our school and is a fantastic learning space for the children. This year our focus at school is be bigger, better and braver. Having this new classroom certainly helps us work towards this.

Celebration Assembly

Pastoral Lead

Just a reminder Mrs Dyson is working at MPA on a Monday, Wednesday and Friday. She is really enjoying getting to know the children. She is building positive relationships. She is offering a lot of support to the children in the classrooms in the morning. The afternoons involve one to one sessions. Mrs Dyson is in the playground at the start and end of the day, please say hello. If you would like to make an appointment to see her then please do this via the school office.

Mr Robinson

I would like give a big shout out to Mr Robinson who greets everyone in the mornings with a lovely welcome. Since joining the MPA team he has made such a positive contribution to school, the grounds have never looked so good. Also thank you to the parents who have made such lovely comments. These are really valued.

Year 6 Outdoor Activity Day

Last Friday, Y6 went to Bucklesham for their first FOSS Activity of the school year. The sun was shining beautifully and they had a great day. They were so excited to meet new friends and build new friendships to support them on their transition to High School. A fantastic day was had by children and staff.

GTBG

Another fantastic week at MPA. 96% of the children were green last week. There were only 5 warnings issued all week. Three classes were 100% green which is incredible. We know at MPA it's good to be green.

Reports

These will be issued to families on Monday. You will then have the opportunity to meet your child's teacher at Parent's Evening if you wish to discuss their report. You will also have the chance to see your child's books. There will be 2 Parents Evenings: Tuesday 25 March for all classes 3.30 - 5.30pm and an additional evening on Thursday 27 March for Holly Blues, Chalk Hill Blues and Royal Blues only. A letter was emailed today with instructions on how to book your appointment. These appointments will go live on Arbor on Tuesday 18 March at 8.00am.

World Book Day

Miss Scrutton has created a wonderful World Book day overview showcasing the day and all the reading fun the children had. It is her favourite day of the school year. I think you can see why when you see the overview. I am sure you will all join me in thanking Miss Scrutton for planning such a wonderful day.

Daily Mile

We are relaunching the Daily Mile at MPA on Monday. Now that the weather has improved we will be able to run on the field. We will do this three times a week. The children are really looking forward to running again.
