### Moment of the Week

It's been a great week at MPA as children have been sharing their learning experiences with parents. There have ranged from fossil drawing lessons, naming volcanoes, building moving vehicles, creating rockets, sorting food that are good / bad for your teeth, TTRS lunch club! The list is endless! Huge thanks to the families for making time to visit. Your support means everything! We are MPA and we are proud.

### Water Bottles

It is starting to warm up and we are doing the daily mile regularly. Can we ask that you send your child with a water bottle please. Juice is not permitted as this is bad for the children's oral health.

### Summer Uniform

We have already sent a reminder, summer uniform can be worn after Easter. This means no ties and Summer dresses / shorts. There are a lot of summer dressed in our pop up shop. Please have a look to see if we can help with uniform. We ask for a small donation.

### Parents Evening

It was good to see so many families attend the meetings this week. It was lovely seeing parents look at their children's work. Thank you for the positive comments. We really value your continued support.

### Y3 / Y4 FOSS Tournament

On Friday, we hosted the Year Three and Year Four FOSS tournament. It was a great afternoon and the children had the opportunity to play against other small schools. It was a really sunny afternoon and there were lots of spectators. The children played really well and all showed great sportsmanship. The end result was really close with the top three teams all getting nine points. The final decision was based on goal difference. Bealings and Waldringfield were joint winners. We were runners up. Thank you to Mr Overett for organising the event. Also thank you to Mr Pratt for being the referee.

### TTRS Parent Lunch

Last week, we invited parents from Year 4 to school to enjoy a roast dinner with their child. After the lunch they joined in times table club and had lots of fun using TTRS. It was a great activity and the children loved showing their parents their times tables skills.

### Wilder Schools

On Wednesday 2 April, Year 4 have Suffolk Wildlife Trust working with the class. They will be outdoors a lot on the day developing wildlife areas within the school grounds. Can their legs be covered please. They may need a hat and suncream applied if the weather is sunny.

### Flutterbakes

Year Six will be ending the term with a cake sale as they are fundraising for their end of year activities. If you are able to donate a cake this would be really valued (no nuts please). The cakes will be on sale on Friday from 3pm in the playground.
