We would all like to say a huge thank you for all of your continued support at all of our events. From parents helping at the events to families and children attending all of our events and activities.

It has been amazing to be able to contribute towards the school:

- £100 to every class towards their education visits to support all families.
- £10 per child towards their Year 6 hoodie
- Money to restock the Key Stage 2 books for their reading scheme.
- We are now continuing to raise funds with a plan to purchase durable play equipment for all children, once the new building work is complete.

Future Dates

Friday 28th March @12pm	Mother's Day sale. Children can buy a gift at our shop for any special ladies in their lives.
