Moment of the Week

Suffolk Farm and Country Fayre

Adonis Blues were invited to the Farm and Country Fair this week. The children loved the offer of activities from making their own fidget with Suffolk Mind, greeting Suffolk Punches, taste testing sausages to a short lesson on CPR. They were a real credit to our school and shined brightly!

GTBG

In the Spring term, 90% of the children were green all term! This is something we are very proud of. It also shows the power that a warning has as these did not become consequences. Teachers are talking to their classes about rewards for this term. At MPA, it really is good to be green!

Reading Reward

The reading reward for the spring term will take place on Monday 28 April when the weather is forecast to be warm and dry! The children who earned the reward by reading three times every week will spend some time at the park, enjoying time reading there, with classes going in pairs. Those who did not earn the reward will complete some reading activities in school. Well done to all those who earned the reward! Looking forward to seeing who earns the gold award at the end of this term.

Catering Manager

We re-advertised the post but sadly we did not get any suitable applications. We are advertising this again, please share with any friends and family who would be interested to work at our school and provide our amazing children lunch. At the moment, we have support from another school two days a week and an agency cover the remaining three days.

Summer Uniform

It is nice to see the children wear the relaxed uniform for the summer term. I do ask that children come to school with their shirts tucked in please. Looking smart and taking care of their appearance is important.

Diary Dates

We are finalising the dates for the summer term. There are lots of exciting events and activities planned for the children. We will share these with you next week.

Support Staff Changes

We are making some changes to the support staff in Key Stage Two next week. The changes will take place on a Tuesday, Wednesday and Thursday morning only. Mrs Garrod will support in Year 5 and Year 4, Mr Overett will support in Year 3 and 4 and Mrs Ashton will support in Year 6.

Parking

Please park carefully around the school site. Consider our neighbours too. You can park behind the white building next to school, but not in front as this is now the home of Suffolk Music Service.
