Spring Term 2025

This term we have launched TTRS. On 3rd February 2025 we had a Rock Day! Children and staff dressed as Rockstars and everyone got their log ins to TTRS.

Hall of Fame

Our Hall Of Fame shows where the speed that children are currently answering their times tables. It is a fun way to see the children progress and get quicker!

To improve your status, the children need to play 'Studio'. This is a game mode that children can play when they are feeling confident with times tables!

To boost confidence, the children are encouraged to play jamming and garage.
