

EYFS - Down the Bottom of the Garden Summer 1

Communication and Language

In Small Blues, the children learn to name and identify foods that grow below the ground. They learn to describe how the same food can be cooked in different ways. They also learn to discuss how to care for the natural world around them.

PSED

This term, the children will be able to understand the needs of living things.

Physical Development

We will continue to build strength and control to help our pencil control.

In PE, the children will learn a variety of multi-sport skills and spatial awareness.

Maths

The children will learn about numbers to 20 and beyond. They will learn to add and takeaway using the correct mathematical symbols and vocabulary.

Writing We will be continuing to learn how to write sentences. We will use our phonic knowledge to write words and begin to use finger spaces, full stops and capital letters when writing.

Reading We will continue to explore new phonemes, practising our segmenting and blending. We will put these words together to read sentences.

Expressive Art and Design

This term, the children will learn to explore with different textures and colour. They will share their creations with friends and adults.

Understanding the World

The children will learn about habitats. They will explore and describe parts of a plant.

EYFS - Under the Sea Summer 2

Communication and Language

This term the children will be developing their turn taking skills, building their confidence in sharing their ideas and developing their listening skills.

PSED

We will be thinking about how to look after the world around us and protect the animals in the oceans.

Physical Development

We will continue to develop our fine and gross motor skills through our PE lessons and in the classroom.

Maths

In Maths, we will be exploring sharing and grouping. The children will be continuing to learn about odd and even and creating doubles. They will then explore patterns and positions.

Writing We will continue to build on our sentence writing, learning about sentence structures. The children will also be rewriting familiar stories creating adaptations to make stories their own.

Reading We will use a key text each week throughout our topic, the children will retell the stories, build on their comprehension skills and learn new vocabulary from the texts.

Expressive Art and Design

This term, we will explore different materials. We will be experimenting with colour to create our own The Great Wave paintings.

Understanding the World

This term the children will explore maps to see if they can identify sea and land. We will learn about different oceans.
