w/c 12 May

Moment of the Week

Adonis Blues completed their 11 Before11 promise and became Hiking Heroes! In less than 2 hours, they managed to walk 3.8 miles. This is the quickest a class has hiked this distance so they even had time to build dens and stop for an icepole! Well done Year 3 for your hiking achievement.

Reading Volunteers

We have a temporary vacancy for a reading volunteer for the children in Y3. If you could spare one afternoon a week then please see Mrs Wood in the school office. She will talk to you about the role.

Small Blues - Summer

Over the Term, there will be planned opportunities for the children to visit and learn in the Holly Blues Classroom. This is part of their transition from Early Years to Key Stage One. Next year, they will be in a mixed age class of Year 1 and Year 2 children.

Eco Day Next Friday

The Eco team and I are super excited for our 'Bee Happy' Eco Day. Children can wear Bee clothing or yellow/black clothing if they wish, for a £1.00 donation. After school, we will be running a stall in the playground selling Eco products made by us to raise money for new litter pickers. I will also be making Honey Cupcakes for the stall - a yummy treat thanks to our buzzy friends. Please bring your spare change when collecting! Thank you for your support. Mrs Garrod & the Eco Committee.

Y6 SATs

Next week the children will be taking their end of Key Stage Two SATs. They have all worked so hard and are ready for these assessments. I am sure you will all join me in wishing the children well. Believe in yourself - we do! We are Year 6 and we are proud!

Drop Off In the Morning

Please can you ensure if you drop your child at 8.35 you stay until their teacher is in the playground. During this time it is the parents responsibility to keep the children safe. Thank you to the parents who do drop off at 8.35 and wait for their child to go in safely. Year 6 children can be in the playground alone.

Social Media Questionnaire

We have sent all families a link for a survey. We want to ensure we reach as many parents as possible via social media. If you could complete this it would really help and aid our planning for the future.

Gazebos

If you have a gazebo we could use for Sports Day on Friday 6 June to keep the children protected from the sun, please contact the office.

Pokemon

It has been great to see so many children enjoying trading their cards. There is a real buzz in school. We love to see the children excited. However, we can not take responsibility for the cards or the trading the children do together. So our advice would be to keep 'rare' cards at home please.
