### Moment of the Week

### GTBG

Last week at MPA 92% of the children were green all week! This is fantastic. Two classes were green all week and they earned an additional class reward. I also rewarded two other classes as there were significant improvements. At MPA, it really is good to be green!

### Sports Day

Huge thanks to all the families who attended Sports day! It was a great morning and we loved how families wore house colours. It was a really wonderful community event and we are really thankful for your lovely feedback and support. Congratulations to Phoenix for their third consecutive sports day win!

### Staffing

Next year Mrs Pratt will be teaching in Early Years. We can not share the rest of the staffing structure yet but will do this in the next couple of weeks. We are waiting to confirm teaching teams and the school structure. Miss Aribas will be leaving MPA at the end of term. She has secured a full time post in an Ipswich school. She has been working in two schools recently. Miss Aribas has loved teaching at MPA. We wish her well for her full time post.

### Book Fair

Thank you for buying books. We were able to buy 53 books for the library. We know the system to purchase a book was long winded and some items were very pricy. We have fed this back to the Book Fair company.

### Father's Day

Thank you if you have supported our sale today. All our gifts get wrapped in recyclable film. Please either pop into the soft plastics at Tesco or return to school for our soft plastics bin.

### Marvellous Middles

All classes have completed their Marvellous Middles. These have been really engaging and the children have loved what has been planned by the teaching teams. We look forward to welcoming you all to the Fabulous Finishes at the end of term.

### PTFA

We would really value some additional support for the PTFA. If you are interested then please do let us know. Our school needs you! The PTFA help raise much needed funds for the children.

### Catering Manger

On Monday Miss Pearse will start as our new catering manger. She is excited to join the team. Miss Pearse is joining us after working in another Suffolk Primary School kitchen. She will be supported by the catering team to settle into her new role. We very much look forward to her joining the team and preparing lovely lunches for the children.
