Moment of the Week

Year 5 had a wonderful time visiting Kiln Farm this week! This exciting educational trip was designed to bring our Sow, Grow and Farm topic to life and it certainly delivered. The children had the opportunity to plant their own flowers, explore real farm machinery, take part in a fun quiz about familiar foods and drinks, and enjoy a guided tour of the farm. It was a hands-on learning experience that deepened their understanding of the topic. A fantastic day out for all!

School Structure

Next year, we will have 5 classes instead of 6. This is due to not increasing pupil numbers in certain year groups. There will be an EYFS class, a KS1 class, and a mixed year 3 and 4 class. There will then be a single age class for years 5 and year 6. I will share teaching teams shortly.

Poetry Slam

What an afternoon and we are so thankful for so many families coming to watch. It was great to see the children perform with confidence but also deliver a powerful message about sustainability. Well done to Holly Blue Class for winning this year. They are ordering books for their classroom as their prize. Thank you Miss Scrutton for the montage.

Morning Drop Off

Polite reminder children should be at school to go in at 8.40. We open the gates at 8.35. We have been very supportive keeping the gates open until 8.45. We are currently reviewing this as too many children are getting to school after 8.40.

Parent Survey

We will be sending out a parental survey shortly to get your feedback on what you and your children enjoy. We do a lot of events for the children and families and we would like to capture your feedback to help us plan for next year.

Walking to School

In Year 6, children have the privilege of walking / biking to school on their own. In order for this to happen we need to have written consent from parents. If your child is going to be in Year Six in September please email the school office outlining that you give your permission for your child to walk or cycle home alone.

Reading Volunteers

We do not have reading volunteers for every class at the moment. If you could spare one afternoon a week to hear children read this would mean a lot. If you have capacity and are interested, then please talk to Mrs Wood in the office. This would be for a September start.

Stay safe in the sun!
