17 June 2025

Dear Families,

**ProStrike Event**

It is the UEFA European Women's Football Championship between 2 July and 27 July.

To celebrate this we are going to have a fundraising day with ProStrike on Wednesday 16 July. All children can come to school in sports wear/ football kits. There will be the opportunity to see the fastest kicker in each class.

There is NO PRESSURE to raise money, this is a choice that you make. All children will be given a sponsorship form this week. There are prizes allocated depending on the amount raised. All children will get a kick whether they have collected money or not.

All money raised will go towards our girls football team next year. ProStrike split the money raised 50 / 50 with school. We will not give out the prizes in assembly as we did last year. Instead teaching teams will distribute as discreetly as possible.

The children enjoyed the session last year, this is why we asked them back. We wanted them to have a fun morning with their friends. Also, ProStrike have been generous to us with donating a football kit for younger children.

Many thanks

Miss E Churchman
