## Moment of the Week

This week Mrs Garrod had a celebration tea party with the gardening club. They have worked hard every Monday to develop our garden areas. Sadly, we have struggled with the weather as it's been so warm and dry. We have not had as much to harvest as usual. However the children have loved being green fingered and managing our garden areas. So proud of the children and their passion for gardening.

### Celebration Assembly

Grace	Small Blues	For having an aspirational attitude towards her learning and enjoying a challenge.		
All of Year 1	Holly Blues	For showing resilience towards their phonics learning. Well done.		
Jack	Adonis Blues	For showing all the learning powers but resilience in particular.

Well done to Small Blues for 100% attendance last week. This is amazing!

### Move Up Day!

What a wonderful morning we had together. The children really enjoyed time in their new classes with their new teachers. It was lovely to welcome our new EYFS families and see them settle. They were amazing! The new Year 6 children took responsibility and were carrying out many roles to support the school. Well done everyone.

### Personal Items

Next year we are reducing the amount of things children bring to school. In KS2 a small pencil case and a water bottle. Please no toys or hairbrushes. Toys can only come in for rewards. Please ensure your child brings in these items only. Also, no jewellery, except stud earrings.

### Uniform

We expect to see all children in correct uniform in September. This is black shoes, not trainers. Ties and white shirts. Also PE kits need to be blue t-shirts (plain) and black shorts / trousers. All hair to be tied up. Please ensure your child is ready for the new year. We do have a second hand shop where we sell good quality second hand uniform for a small cash donation.

### Morning Time

Thank you for getting to school on time. We will be continuing to close the gate at 8.42. So please make sure you are on time. Parents should stay with their children until their teacher is in the playground.

### Reading Books

All reading books will be collected in today. Please check at home for any extra reading books. We will re-issue in September.

### FOSS Swimming

This week we hosted the FOSS Swimming Gala for selected children in years four and five. This was a competitive event where the children raced in front crawl, breaststroke and back crawl. All children selected two races. They completed their heat. If they won that, they went into the final. We were delighted to win the Year 5 backstroke race. We could not be prouder of all the children who really challenged themselves. A great morning of competitive sport. We can't wait for next year!

### Library Books

Please ensure your child returns their library books before the end of term. Thank-you, Mrs Nicholls.
