Moment of the Week

On Tuesday, as part of their RSHE learning, the children in Year 6 were tasked with looking after a hard-boiled egg, keeping it safe and not leaving it on its own to experience part of the responsibility of having a newborn baby who needs your attention all of the time. They realised that they could not always do what they wanted to do and recognised the worry they felt at making sure their egg was safe. A valuable learning experience!

Summer Reading Reward

For those children who have read three times a week over the Summer term, they will be rewarded with a hot chocolate, story and some time to explore in the forest school area on Friday 18 July (last day of term); they must wear long trousers to take part. They will also be awarded a gold star badge to celebrate their award for reading at home all year. The children will be informed of whether they have earned this on Friday 11 July. We are looking forward to celebrating the children's efforts in reading!

Pro Strike Event

We are hosting the Pro Strike event on Wednesday 16 July. This is a fundraising event in line with the Women's Euros that started this week. The children requested a prize for the Fastest Kicker per class. They will receive a badge for their tie. Thank you in advance for your support with the event. Children can come to school in football / Sports Wear on this day.

11 before 11 Promies

Two Promies have been completed recently and both special in their own way. Children in Small Blues completed the seeds to supper promise. They grew cress and then made their own bread. They had great pleasure making an egg and cress sandwich. The eggs came from Mrs Ashton's chickens. Year Five and Year 6 had the pleasure of sleeping under the stars last Friday. It was a fabulous evening full of smiles and laughter with friends and staff as they camped on the field. Thank you for the tents and your time. It was a truly magical evening.

School Kitchens - Message from REAch2

Over the past week where there have been amber and red weather warnings, our school kitchen staff have been operating in temperatures above 40 degrees Celsius throughout their working hours. Kitchens do naturally fluctuate in temperature due to times when ovens etc are in use, but not consistently and to this extent.

Therefore, during times of amber/red weather warnings, and where the temperature in the kitchen exceeds a consistent, 30 degrees Celsius, we will serve cold meals only, rather than hot meals. This is to ensure the safety and well-being of our kitchen staff.

Chalk Hill Blues Educational Workshop

On Tuesday, Ipswich museum came to visit us to lead CHB Egyptian workshop. They learnt all about life along the River Nile, how to mummify a pharaoh and the journey you would have to take to get to the afterlife. They were able to handle some real Egyptian artefacts that are thousand of years old!

Optional Parents Evening

Parents Evening appointments will go live on Arbor on Tuesday 8 July. Only book an appointment if you have an issue with your child's report. Thank you.

Year 5/6 Production

The children in Year 5 and 6 have been busy, rehearsing for their production of 'Robin and the Sherwood Hoodies', which is taking place on Tuesday 15 and Wednesday 16 July. Information about tickets will be sent home with the children on Monday. Please support your child to continue learning their lines.
