Wraparound Care Is Staying – And It's Getting Better

Dear Parents and Carers,

We're thrilled to share some fantastic news - our much-loved wraparound care at Martlesham Primary Academy is here to stay!

Thanks to your continued support and enthusiasm, the school has confirmed that we'll be continuing to deliver care before and after school. That means more of the activities your children enjoy, in the safe, familiar setting they already love.

But that's not all. From next term, we're making a few thoughtful improvements to make wraparound care even easier, more flexible, and more valuable for busy families.

Breakfast Club: Still Here, Still Brilliant

The good news continues: Breakfast Club is running as usual, giving your child a calm, happy start to the school day. To help us keep up with rising costs (and maintain the same brilliant quality), the price will increase slightly to £5.50 per session. Still incredible value when you consider it includes food, fun, and a settled start to the day.

Breakfast Club:

🕒 7:45am – 8:45am

💷 £5.50 per session

🍳 Includes breakfast

One Simple Booking, With More Time for You

Instead of three booking slots, there's now just one simple session that gives your child the full experience, from fun activities to a light tea - all in one go. As well, as an extra 30 minutes of care.

Whether you're working late, stuck in traffic, or just craving a moment of calm, you've now got time on your side.

After-School Session:

🕒 3:15pm – 6:00pm

💷 £12.50 total (just £4.55 per hour – excellent local value)

🍳 Includes a snack and a light tea

Why This Is Good News for You

Here's what these changes mean in practice:

- More breathing room: No more frantic dashes from work. Pick up any time before 6pm.
- Great value care: Reliable, quality childcare for under £5/hour.
- Peace of mind: Your child is safe, stimulated, and having fun, no matter your schedule.
- Enriched activities: Longer, more consistent sessions mean better planning and better play.
- Protected for the future: These updates help keep the service strong and sustainable for years to come.
