Attendance

Well done to Year 1 for 100% attendance for the last 4 weeks. This is amazing!

Thorpe Woodlands

This week Y6 have been on their residential to Thorpe Woodlands where they have stayed in pods in the middle of Thetford Forest. This is a wonderful experience for the children where they get to thrive outside. They have experienced a range of activities that will shape their character and create memories they will treasure forever. A huge thank you to Mrs Last, Mr Thorpe and Mrs Ashton for all you have done for the children. You certainly made a difference. The children will return at 4.30 on Friday 17 October. We can't wait to see them.

PTFA Christmas Art

Thank you to the PTFA for organising this fund raising activity. All families can buy Christmas items with their child's personal design. All money raised allows money for the PTFA to support their fundraising this year. The date to order PTFA Christmas designs is the 20 October.

Parents Evening

We hosted our first Parents Evening this week. This provided parents with the opportunity to speak to teachers to see how their child had settled into their new year groups. Have a look at work and talk about any issues in relation to their child. We look forward to welcoming families again next Tuesday. Please book via Arbor if you have not already seen your child's teacher.

Mrs Dyson

Mrs Dyson is offering a weekly meeting time for parents on Wednesdays from 2.15 - 2.45pm. This could be to talk through ideas for bedtime routines, accessing support from the school nurse, worries or concerns that you need help with in relation to your child. To book a meeting please do this via the school office or talk to Miss Dyson in the playground. We are here to help!

Facebook Page

This is the page for our parents and it has grown a lot in the last week. Thank you for your support. We really want to reach as many potential parents of EYFS children to boost numbers of children starting school each year. We will continue with X for now but won't share as much as we know not all parents access this. If you are not following, please do. Your support is valued.

Parking

This week we have had notification from Suffolk Highways to remove the parking signs from the verge. We did this to support families cross the road safely due to the constant parking outside of school and also the speed in which some cars drive down Black Tiles Lane. These will be removed but it would be really valued if parents did not park opposite the school and allowed families to cross the road safely. Once again, thank you to all the families who park safely and consider the safety of our school community.

House Competition

All children are invited to make a Halloween mask at home. There will be a first, second and third prize for each class. These will all increase the house points that can be won. Remember all houses want to win the house cup. All entries must be named and handed into class teachers by Thursday 23 October. Winners will be announced in assembly on Friday.
