Careers Fair - Can you help?

Dear Parents,

This half term in Year 5, our PSHE focus is on **careers and financial awareness**.

Our learning intentions include:

1. Understanding the wide variety of jobs available and the skills needed to pursue them.
2. Exploring the value of money and how it is earned.
3. Recognising different influences that encourage spending.

To bring this learning to life, we are excited to host a **Careers Fair** in our classroom!

We would love to welcome a range of professionals to join us and share insights into their careers. Each guest will have a small stall in the classroom, and our Year 5 pupils will visit in small groups to ask simple, age-appropriate questions about your job.

This is a fantastic opportunity for children to:

- Discover new and exciting career paths
- Learn about the skills and education needed for different roles
- Understand how people earn and manage money
- Begin thinking about their own aspirations for the future
