Eco & Sustainability

I am happy to report we have already implemented some of the changes we have in our Climate Action Plan (CAP). All schools had to have a CAP plan in place by Sept 2025, to improve the sustainability of their premises.

Happy 1 year with us!

Our super snails have now been with us a whole year! They have even had two babies! The children have given lots of name suggestions for the babies. As yet, we have not managed to find the moment to pick the names out of the tub! New year - new baby names!

Eco Litter Pick

Please could you kindly engage in conversations, with your children, about how to properly dispose of any rubbish in school. Sadly, we had a container full of litter as the result of a school field litter collection, by the Eco team in December. Most of the rubbish consisted of snack packets that have come in from home,

Our new section in the school library

Look at our wonderful new section in the school library. All of the relevant books have been grouped together to help educate the children for their futures.

And finally...

Wishing you all a wonderful Christmas from Mrs Garrod-Spall & The Eco Committee
