Art Exhibition, in Partnership with Kesgrave High School

Dear Parents,

We are thrilled to announce an upcoming creative venture that will see our pupils collaborating with other local primary schools in a massive celebration of the arts. This year, our collaborative project is centered around the captivating theme: 'Fantasy vs Reality.'

The Project Journey

Over the last few weeks, every class in our school has explored this theme through various mediums - ranging from drawing to painting. The goal is for each child to produce a final piece that explores the boundary between the world we know and the worlds we imagine.

Teachers will be looking for pieces that clearly interpret the 'Fantasy vs Reality' theme and that showcase technical artistic skills appropriate for their specific Year Group.

The Competition and Exhibition

To celebrate the children's hard work, we will be holding a school-wide selection process. From each class, a 1st, 2nd, and 3rd place winner will be chosen. These chosen artists will have their work professionally displayed at a special inter-school exhibition:

Where: Kesgrave High School

When: Saturday, 21st March

Time: 9:00-11:30am

This will be a wonderful opportunity for families to see the incredible talent from across our local community and for the children to see their work in a gallery setting.

We will also be asking for donations to come and see the artwork, all of which will be going to our chosen charity 'EACH'.

Artist Workshop Opportunity

In addition to the exhibition, a select number of winners will receive a personal invitation to attend an exclusive Art Workshop run by a professional artist. This will take place at Kesgrave High School on Friday, 20th March. This hands-on session is designed to stretch their skills even further and offer a glimpse into the life of a working artist.

We are so excited to see the magic and realism our students bring to life. Please keep an eye out for further details regarding workshop invitations and exhibition viewing times.

Warm regards
