Dear Parents,

10 Good Deeds in 10 Days!

At Martlesham Primary Academy we offer all children the chance to take part in 11 Before 11. This is a REAch2 scheme that offers all children exciting opportunities above and beyond their usual school experience. All children will complete 11 promises before leaving us for high school aged 11. These include sleeping under the stars, being a hiking hero, riding a large animal and 10 Good Deeds.

To kick off the new school year, the school is collaborating to complete 10 good deeds across this academic year. The idea of 10 good deeds in 10 days is to support the children in recognising what good deeds are, thinking of others before ourselves, enabling them to then undertake good deeds at other times too!

On the next page is the list of good deeds the children will be completing. The highlighted deeds are ones which will require input from families. We would really appreciate your support with this.

Thank you for your support with this 11 Before 11 task,

Miss Churchman and the House Captains
