£280 raised for Macmillan!

Macmillan Coffee Morning Overview

Our Macmillan Coffee Morning was a wonderful community event that brought people together to support a fantastic cause. Year 6 pupils invited members of the local community, family members, and friends to join us for a morning of coffee, cake, and fundraising.

The event was made possible thanks to the generosity of our school community. Families, pupils, and staff all contributed by donating a wide variety of delicious cakes and making monetary donations. Their support helped create a warm and welcoming atmosphere while raising money for an important charity.

Throughout the morning, guests enjoyed taking part in a quiz and a fun game, which added to the excitement of the event. The Year 6 children took ide in serving cakes to our visitors, demonstrating excellent responsibility, confidence, and teamwork. Staff members helped by serving hot drinks and ensuring everyone felt welcome.

Most importantly, the event was held to raise money for a very worthwhile cause. Macmillan Cancer Support provides invaluable help and support to people living with cancer and their families. We are incredibly proud of the effort shown by everyone involved and grateful for the generosity of those who attended.

Thanks to the contributions and support of our school community, we are delighted to announce that we raised a total of **£280** for **Macmillan Cancer Support**. This was a fantastic achievement and a wonderful example of our community coming together to **make each day matter.**

£178 raised for Year 6!

Year 6 Second-Hand Toys and Book Sale

Year 6 recently held a second-hand toys and book sale, and what a fantastic success it was! The event gave families the opportunity to pass on toys and books that were no longer being used, allowing others to enjoy them and giving pre-loved items a new home.

We were overwhelmed by the generosity of our MPA families. Thank you to everyone who donated items towards the sale. Although the weather meant we had to move the event indoors, there was still an incredible turnout, with so many families coming along to support us.

A special thank you goes to the Year 6 children who stayed behind after school to help organise and run the sale. Your enthusiasm, responsibility and hard work played a huge part in making the event such a success. We would also like to thank parents for their patience and support while the children helped.

We still have a large number of books remaining, so we have decided to share these across the school through a special December Book Advent. Each day throughout December, children will have the opportunity to choose a book to take home and enjoy. This is our way of giving something back to our pupils. Any remaining toys and cuddly toys will be donated to a local charity shop, helping us support the wider community as well.

We are delighted to announce that the sale raised an incredible **£178**, far exceeding our expectations. Thank you all for your generosity, kindness and support. The money raised will go a long way towards supporting Year 6 activities and opportunities throughout the year.

Thank you once again for helping to make the event such a memorable success!

22 Christmas Shoeboxes!

On Friday 13th November, the MPA community came together to support children around the world by creating 22 Christmas shoeboxes filled with gifts and festive kindness.

A huge thank you to all of the parents who generously donated shoeboxes and gifts. Your contributions helped make each box special and ensured that every child receiving one will have something exciting to open this Christmas.

We would also like to thank our wonderful Year 6 children, who gave up their time to help sort, organise and wrap the gifts. They showed fantastic teamwork and care throughout the process and should be very proud of the difference they have made.

Thank you as well to the many members of staff who supported the project in different ways. Whether donating items, helping to organise resources or giving their time, every contribution played an important part in making the project a success.

A special thank you goes to Mrs Garrod, who worked tirelessly to finalise the shoeboxes and arrange for them to be sent off. This simply could not have happened without you.

We certainly made this Friday 13th matter, and we hope that these shoeboxes will bring joy, excitement and comfort to the children who receive them this Christmas. We hope they love their gifts and know that they have been packed with kindness and care.

Love from all at MPA.
